WHO SHOULD ATTEND

This program is intended for all lawyers and legal support staff who have a real estate/conveyancing practice or who want to learn about the new ALTO platform.

NEW &
NOTABLE

Alberta Land Titles Online (ALTO) will affect the way legal practitioners conduct their real estate/conveyancing practice. Join us for an interactive, half-day session to learn about the province's shift to ALTO.

Explore important, relevant changes to the way real estate lawyers and legal support staff will practice in light of the shift to ALTO. Watch live demonstrations of the system, review the integration of ALTO into third party platforms, and discover what you need to get ALTO up and running in your practice. Get valuable practice tips, and discuss how best to broach these changes with your clients.

LESA is committed to helping lawyers and legal support staff get the information they need to transition to the ALTO system. Check out the dates and locations below, and find out when we will be in a location near you!

All ALTO programs are offered in a **half-day format**. Please make note of the times specified for each program in this listing.
