Your lifelong partner in continuing legal excellence

MEET THE FACULTY

Rick Kabra | CosmoLex

Rick Kabra, Ph.D., is the President of CosmoLex, a web-based law practice management system designed for small law firms. He has a Ph.D. in Electrical Engineering and has over 13 years of experience in the legal software industry catering to the specialized technology needs of small and mid-sized law firms. Rick is the co-author of the book *Law Firm Accounting Demystified*, he has given hundreds of seminars across North America, and has published numerous articles on legal technologies related to law office management, cloud computing, and legal billing, business & trust accounting compliance issues.

Steve Rawlinson | DoProcess

Steve is an experienced change leader and technology specialist with over 30 years experience developing products for legal professionals. Driven by his passion for new technology, he takes pride in providing secure web-based solutions to optimize practice productivity. Steve is currently most passionate about his work leading the development of Unity, DoProcess' new web-based practice management solution for lawyers across Canada.

Maurizio Romanin | Barrister & Solicitor | LawyerDoneDeal Corp.

Maurizio focuses on offering web-based business applications that increase productivity and efficiency. Join him for a discussion on Millennials, Technology, and Legal Practice.
