With more than 20 years of private practice experience, conference Chair [Keith Wilson](#) has represented clients in a wide range of cases. In 2011 he was recognized by the Alberta Venture Magazine as one of Alberta's 50 most influential people. He is an early adopter of new technology, including law office automation, and is the founder of Veritas Litigation Support, which makes innovative digital evidence aids available to lawyers.

Join Keith Wilson and faculty for the Alberta Legal Technology Conference, and explore current and future technologies that can enhance your legal practice.

### CYBER-SECURITY | [Elizabeth Aspinall](#) and [Nathan Lee](#)

Join Elizabeth Aspinall (experienced civil litigator and current Practice Advisor at the Law Society of Alberta) and Nathan Lee (President and CEO of YellowWood IT.) for an informative session exploring cyber-security. Get the latest on cyber scams, tricks, and traps including how to spot them and how to protect your firm and clients.

### TECH EVIDENCE | [Andrew Koeman](#)

Discover the latest technologies available to assist you in collecting and preserving discovery from mobile devices, including text messages, emails, location data, pictures, and call histories.

### LEGAL RESEARCH | [Rex Shoyama](#) and [Helen Voudouris](#)

Explore the latest developments in practical legal research technologies and what's coming next with Rex Shoyama (Online Development Manager, Thomson Reuters) and Helen Voudouris (Director, Online Product Management, LexisNexis Canada).

### NEW TECH FOR SOLICITORS | [Jay F. Krushell](#)

Learn about the ins and outs of electronic signatures, real estate and deal closing software, financing automation, and other new tech with legal technology innovator Jay F. Krushell.

### LAW FIRM AUTOMATION | [Richard G. Ferguson](#)

*How do I successfully implement technology efficiencies and tools without being an international-sized firm?*

Join Richard G. Ferguson (experienced business and commercial law practitioner and past Chair of the Law Practice Management and Technology Section of the Canadian Bar Association) for an insightful discussion on firm automation.

### LITIGATION SUPPORT | [Maura R. Grossman](#)

Get updates on the latest developments in eDiscovery and technology-assisted document review from one of the most well-known and influential eDiscovery lawyers in Canada, Maura R. Grossman.

### LOOKING AHEAD | TBA

Consider what the future lawyer might look like in a digitally dominant world.

**THANK YOU** The success of our programs relies on the generous contributions of time, talent, and energy from all our volunteers. We greatly appreciate the work of our volunteers and their service to the profession.
